

Dino Mania Policies/Rules for Birthday Parties and Special Events

All participants must agree to, sign and follow all of the policies/rules listed below. In the event the party/event host or any guests at the party/event do not comply with the following policies/rules, Dino Mania reserves the right to cancel the party/event and no refunds will be provided. These policies/rules are designed to protect the safety of Dino Mania equipment and staff and all guests attending the party/event.

- Please understand we are booked months in advance. When you book an appointment, Dino Mania blocks out the day for your party/event. We do not double book. For this reason, we require a \$100 deposit to book an appointment. The deposit is fully refundable if the party/event is canceled at least 7 days prior to the party/event. If a cancellation occurs within 7 days of the party/event, no refund will be provided. The remaining balance is due 24 hours prior to the day of the party/event.
- The Waiver of Liability on the website (www.dinomaniaaz.com) must be signed by every adult parent or guardian of any child under age 18 who intends to participate on the Dino Rides. The host of the party/event cannot sign for the guests. It is the host's responsibility to inform all guests about these requirements. All guests should have the waiver signed one day prior to the party/event. If unable to access the website, Dino Maina will bring paper copies to the party/event to have signed. The waivers will be checked before riders and party/event guests can participate in Dino Maina activities.
- Please allow ample parking for our truck and trailer (Dinosaur Containment Unit). Our truck and trailer cover approximately 45' to park.
- We will arrive approximately :45-1:00 hr before the party/event start time to set up safety barrier fencing and prepare the Dinos. Safety barrier fencing will be used to comply with insurance requirements. There are no exceptions to this rule.
- The rides operate on pavement only. They cannot move in grass or dirt. Please allow ample space free of vehicles, clutter, and obstacles for the Dinos to maneuver. The more space allotted, the more room the Dinos will be able to roam. Cul de sacs are ideal, but we can operate in the street in front of a house as long as there is ample room to set up the safety barrier fencing and still allow free access to passing vehicles.
- We can operate at city parks as long as there is pavement available for the rides and the city has been notified and approved this operation by the host of the party/event.

Thank you for your compliance. Following these policies/rules will ensure a safe and enjoyable party/event for all participants.
